Tuesday morning 10:00 am will be the next North Figueroa Assoc meeting. I think the artist that did the PepBoys / AutoZone mural will be attending the meeting if you'd like to come to the meeting. The meeting is open to the general public before it becomes a closed meeting for the members only, The open meeting portion usually goes for about an hour. If you want to inform the attendees about Lummis Day or listen to discussion you are welcome to do that. There is a short time to ask questions but generally the meeting tries to finish up before lunch, The members are composed of the stake holders who are property owners along N Figueroa from Ave 50 to the Library.
